The AMAZON. Set by Mr. HOWARD.

Swains I scorn, who, nice and fair, Shiver at the morn-ing air; rough and

har-dy, bold and free, be the man that's made for me; Rough and

har-dy, bold and free, be the man that's made for me.

Nice friends

Friends I love to have and care
Kind to people everywhere
Gentle, kind, unselfish, fair,
Be the friend that's there for me.

Always kind and helpful too,
Loving is a good thing too
Funny, gentle always cares
Generous and also shares.

Friendly and loving always coming
Pick you up when you fall down
Sharing and caring all the time
Help you make your golden crown.

S(h)e is helpful s(h)e is kind
S(h)e won't come out of my mind
My friend is funny like a big fat bunny.
S(h)e gives my honey when my nose is runny.

I would like a friend who cares
Someone who is always fair
Funny, honest, jolly, kind
Someone I can always find.

Mean friends

I hate a friend who calls me names
Who doesn't have fun playing games
If they see me having fun
They will make my brain go numb

Sarcastic, selfish mean and nasty
Took away my lovely pasty
Teasing, wheezing loudly sneezing
Leaving tissues all around

I don't want a friend that's mean
I want a friend that's always keen.
Sneaky, lazy, selfish, cruel
I'd thrown them in the swimming pool
